

Exclusive Campaign

MPO

QUARTER 4 - 2024

PLAY TO YOUR ADVANTAGE

ADVANTAGE

INTRODUCTION

We at AdvantPlay, one of the leading providers in the market, have always been committed to serving our business clients by prioritizing interests and building player loyalty.

We are thrilled to present our exciting exclusive campaigns. We believe this campaign will not only attract more players to your platform but also incentivize them to stay and engage for longer periods, ultimately fostering their loyalty to your platform.

This proposal includes:

Free Bonus Giveaway

Free Spins Giveaway

We will **cover the costs** associated with these offers.

Additionally, our team will work with you closely to ensure the promotion's success and ensure it meets your specific needs and requirements. We are excited to discuss the details of this campaign with you and hope it will capture your interest.

Please refer to the rest of this specification for more details about the campaigns, including the allocated quantity, the process, and the terms & conditions.

WALLETS SPECIFICATION

(How? How is this system designed?)

Built-In Promo System

Cash Wallet

The Cash Wallet serves as the primary wallet for gameplay.

The balance in the Cash Wallet is **withdrawable**.

Free Spins Wallet

Free Spin Wallet is where players receive **Free Spins**. Players must use up all the Free Spins before they can proceed to fulfil the turnover requirement in the Bonus Wallet or withdraw winnings to the Cash Wallet within the specified minimum and maximum withdrawal amounts.

Bonus Wallet

The Bonus Wallet serves as the designated wallet for receiving **Free Bonuses** from AdvantPlay during the campaign period.

Players are required to meet a specific turnover requirement in order to withdraw the bonus amount from their Bonus Wallet.

FREE BONUS SPECIFICATION

(How? How is this system designed?)

Campaign Flow

The Free Bonus Campaign features a tri-wallet system on the game-client interface, comprising the **Cash Wallet**, and **Bonus Wallet**.

I. Free Bonus Wallet:

Free bonuses are deposited into the **Free Bonus Wallet**.

II. Turnover Requirement:

Winnings in the Bonus Wallet must meet a turnover requirement.

III. Transfer to Cash Wallet:

Once the turnover requirement is met, winnings (up to a max amount) are transferred to the **Cash Wallet**.

Wallet Navigation: Players can switch between the Bonus Wallet, and Cash Wallet during their gaming sessions.

FREE SPINS SPECIFICATION

(How? How is this system designed?)

Campaign Flow

The Free Spins Campaign features a tri-wallet system on the game-client interface, comprising the **Cash Wallet**, **Bonus Wallet**, and **Free Spins Wallet**.

I. Free Spins Wallet:

Free spins are deposited into the **Free Spins Wallet**.

II. Winnings from Free Spins:

Winnings from these spins go to the **Bonus Wallet**.

III. Turnover Requirement:

Winnings in the Bonus Wallet must meet a turnover requirement.

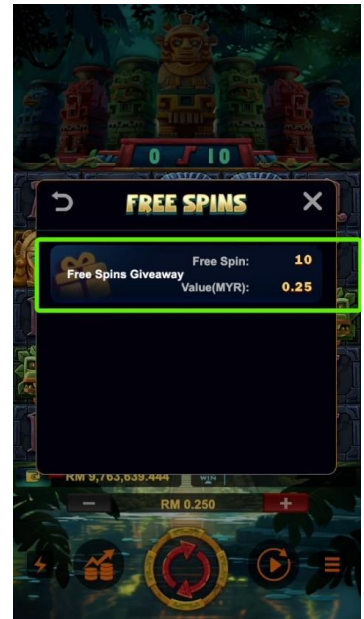

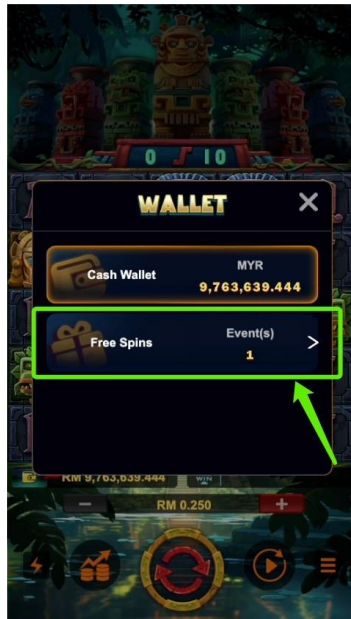

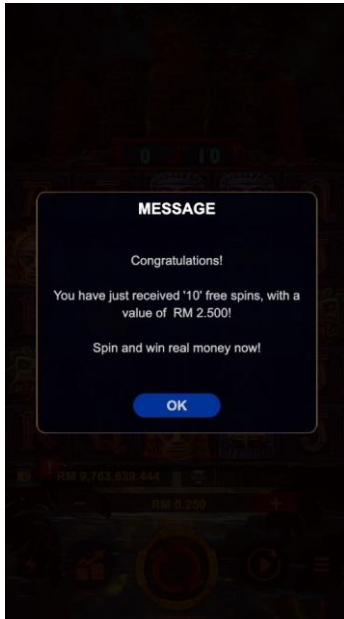

IV. Transfer to Cash Wallet:

Once the turnover requirement is met, winnings (up to a max amount) are transferred to the **Cash Wallet**.

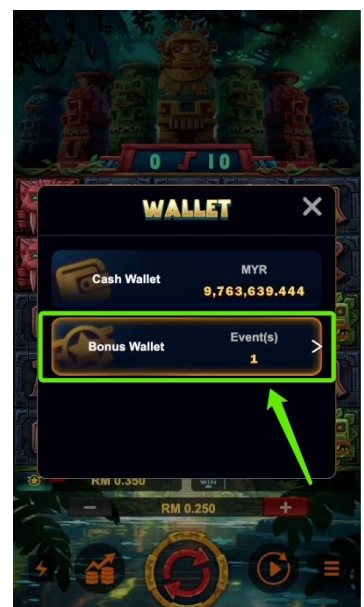

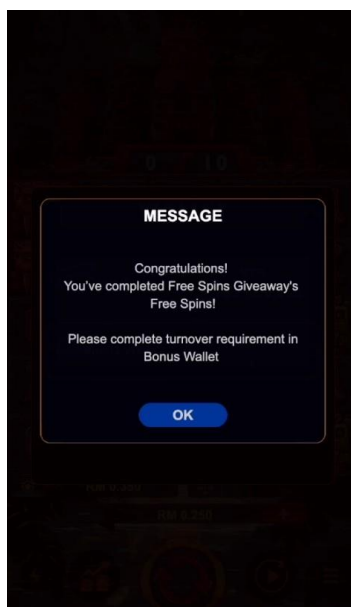

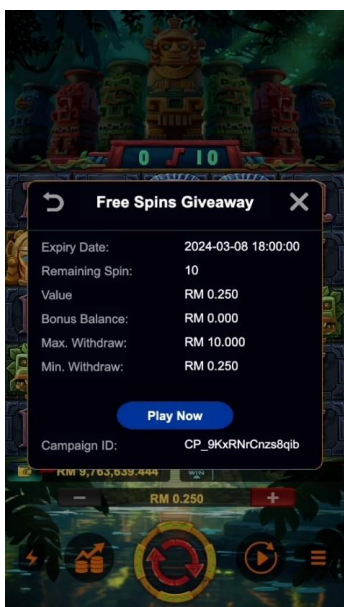

Wallet Navigation: Players can switch between the Free Spins Wallet, Bonus Wallet, and Cash Wallet during their gaming sessions.

Detailed Flow 1

When a player is eligible for the free spins, a pop-up message will appear during gameplay.

After all free spins have been utilized, the final winning will be transferred to the **BONUS WALLET** for turnover requirement fulfillment.

Upon fulfilling the turnover requirement, the balance up to the specified maximum limit will automatically be transferred to the **CASH WALLET**.
